

Dr. Chris Metcalfe

Young Professionals Workshop Speaker,
14th IWA Micropol & Ecohazard Conference 2026

Chris Metcalfe [[Professor Emeritus, Trent University,](#)
[Editor in Chief, Archives of Environmental](#)
[Contamination and Toxicology](#), & President, Ambient
Environmental Consulting Inc.] is a Professor Emeritus
who spent over 36 years in the School of the
Environment at Trent University, where he
established an international reputation for his
research on the fate and effects of environmental
contaminants. From 2020, he served as Editor-in-
Chief of Archives of Environmental Contamination
and Toxicology, a Springer journal. Since retiring from
Trent University in 2021, Chris has been active as a
consultant through his company, Ambient
Environmental Consulting. His work spans the public,
private, and volunteer sectors, with a focus on water
quality, water safety planning, watershed management, risk assessment, and contaminant
monitoring. He has extensive experience in community-based projects with First Nations in
Canada and has worked internationally across the Caribbean, Latin America, East Africa, and
Southeast Asia.
