

Dr. Hadi Mokarizadeh

Young Professionals Workshop Moderator,
14th IWA Micropol & Ecohazard Conference 2026

Hadi Mokarizadeh currently works as a [Water/Wastewater Process EIT at Parsons](#). He holds a Ph.D. in Environmental Engineering from the University of Alberta and has a background in Chemical Engineering. His work focuses on developing sustainable treatment technologies for toxic contaminants in water and wastewater systems, including oil sands process water. Passionate about water quality and environmental equity, Hadi has been actively involved with the IWA Young Water Professionals (IWA YWP) since 2022 and has served as Chair of IWA YWP Canada since 2024. He is also a Fellow of the IWA & Grundfos Youth Action for SDG 6 and has received several awards recognizing his academic excellence, leadership, and community engagement.
